Professional Summary

Video Editor and Multimedia Content Specialist with 4.5+ years of professional experience in digital news media, including Samakal and Ajker Patrika. Experienced in video editing, motion graphics, audio post-production, visual storytelling, social media content management, and AI-assisted content creation. Proficient in Adobe Premiere Pro, After Effects, DaVinci Resolve, Audacity, and CapCut, with proven experience working in fast-paced editorial environments and meeting daily publishing deadlines.

Skills

- **Video & Audio Editing Software:** Proficient in Adobe Premiere Pro, DaVinci Resolve, Adobe After Effects, Audacity, and CapCut, with the ability to adapt efficiently to different editing platforms and workflows.
- **Video Editing:** Skilled in video editing, transitions, visual effects, color grading, audio-video synchronization, multi-source editing, noise reduction, lighting effects, motion graphics, and creative visual design.
- **Graphic & Motion Design:** Knowledge of basic graphic design, motion design using Adobe After Effects, and fundamental 3D design concepts.
- **Content Sourcing:** Experienced in sourcing high-quality creative assets, footage, audio, graphics, and other content from both open-source and paid platforms for editing projects.
- **Prompt Engineering & AI Content Creation:** Skilled in using AI tools for generating, editing, modifying, and enhancing video, visual, audio, and other digital content; capable of creating AI-generated music and integrating it appropriately into multimedia projects.
- **Social Media Management & Copyright:** Experienced in managing social media accounts, including content uploading, moderation, and account management, with practical knowledge of social media policies, copyright issues, claims, thumbnails, and platform-specific requirements.
- **Editorial & Platform Policies:** Strong understanding of editorial policies and the ability to align digital content with platform-specific guidelines, standards, and publishing requirements.

Professional Experience

Video Editor | SAMAKAL - Dhaka, Bangladesh | 4.5 Years

- Created high-impact video content for various digital channels by partnering closely with editorial staff.

- Streamlined full post-production processes to achieve strict daily schedule targets reliably.
- Contributed to the development and growth of Samakal's digital video operation, supporting content production and distribution across major digital platforms.
- Managed Samakal's social media accounts as required, including content publishing, moderation, thumbnail selection, audience engagement, copyright claims, and compliance with platform policies and editorial guidelines.

Video Editor | Ajker Patrika - Dhaka, Bangladesh | 02 Months

- Contributed to daily news production within a high-pressure, fast-paced media environment.
- Supported editorial teams by maintaining rapid editing turnaround times for breaking news and feature stories.
